

COVENANT OF COMMITMENT

As individuals and families, we want the fullness of the Blessing manifesting in our home. That's going to require effort from each of us. We must commit to giving this campaign our all. I personally commit to making a conscious effort to give my family the time, prayer, and dedication it requires and deserves.

During the EGCC 40 Days of Family Campaign, I commit to:

1. **Forgive others**, where forgiveness is necessary, whether it is asked for or not.
2. **Love everyone** (even if I *“feel”* others do not reciprocate that love).
3. **Give honor** to all members of my family.
4. Daily family **prayer and devotion** at _____ am/pm, including but not limited to full participation in family prayer, following the prescribed Bible Reading Plan, answering all discussion questions honestly and openly without intentionally hurting anyone or taking offense.
5. **Share at least one daily meal** with my family, eliminating all outside distractions including but not limited to TV, cell phones, social media, etc.
6. **Attend weekly corporate worship** with my family and sitting with them except when serving in ministry.
7. **Plan/participate in a weekly time of fun and relaxation.**

My signature below stands as a seal to this agreement.
