

As individuals and families, we want the fullness of the Blessing manifesting in our home. That's going to require effort from each of us. We must commit to giving this campaign our all. I commit to consciously giving my family the time, prayer, and dedication it requires and deserves.

During the EGCC 30 Days of Family Campaign, I commit to:

1. **Forgive others**, where forgiveness is necessary, whether it is asked for or not.
2. **Love everyone** (*even if I “feel” others do not reciprocate that love*).
3. **Give honor** to all members of my family.
4. Daily **family prayer and devotion** at _____ am/pm, including Bible Reading.
5. **At least one daily meal** with my family, without distractions (*TV, phones, etc.*).
6. **Attend weekly services** and sit with my family unless serving in ministry.
7. **Plan/participate in a weekly time of fun and relaxation.**

My/our signature(s) below stand(s) as a seal to this agreement.
